Monday, July 9 (\$300)**

The third annual Information & Communications Technology (ICT) Accessibility Testing Symposium will include papers and presentations on the science and practice of testing, integration of testing within systems development lifecycles, and the management of testing teams.

Keynote Speaker

Lainey Feingold is a disability rights lawyer focusing on digital access, an international speaker, and the author of *Structured Negotiation, A Winning Alternative to Lawsuits*.

Last year's second annual symposium featured long papers, workshops and panelists from:

AccessibilityOz · AMAC (Georgia Tech) · Benetech
Bentley University · DAISY Consortium · Deque Systems
Educational Testing Service · Freedom Scientific
ICF International · Interactive Accessibility · Level Access
Macmillan Publishing · National Federation of the Blind
New Editions Consulting · Tenon.io · The Paciello Group ·
U.S Department of Homeland Security
U.S. Department of Justice
University of Illinois at Urbana/Champaign
W3C Web Accessibility Initiative · WebAIM / National Center
on Disability and Access to Education (Utah State University)
