COVID-19 Hardship Registration Fund (C19HRF)
As a result of the ongoing pandemic we know that many people working in our field have either lost their jobs, or have experienced a dramatic loss of income. In response this year, the ICT 2020 Event Committee is setting up a registration fund to cover the attendance of those in need. Sponsorship is a great way to help our colleagues in need stay in touch with others by joining the symposium.

- COVID-19 Hardship for an Attendee in Need - $400 to C19HRF
